About the Instructor

Kevin Clark has been dancing and performing for as long as he can remember, but his introduction to swing came in 2003. Lindy Hop quickly became his number one passion. He has since traveled extensively around the U.S, honing his social and performance dance skills. He emphasizes the rhythm, the flow, and the energy of connection in his dancing and teaching. He is particularly proud of his work with Groove Juice Special and their win in the Choreography Division at the Ultimate Lindy Hop Showdown 2009.
